USAGE GUIDES

Directions for Use

Step 1: Preparation

1. Gather supplies.

2. Wash hands with soap and water.

3. Put on PPE required by your facility.[1]

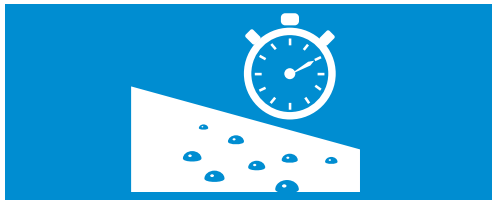
1. Safety glasses recommended if splashes are likely to occur, rubber gloves recommended if there is potential for repeated or prolonged skin contact

4. Make sure the area is well ventilated.

Step 2: Application

To clean and deodorize

1. Spray product 6"–8" from surface.

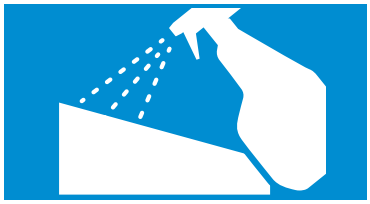


2. Allow product to penetrate dirt and soap scum.

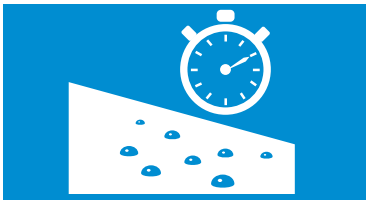
3. Rinse with water and wipe clean.

To disinfect

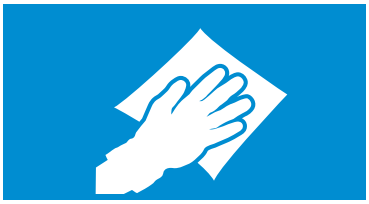
1. Clean visible soil (spot clean).



2. Spray surface until thoroughly wet.



3. Surface needs to stay wet for 10 minutes



4. Rinse and wipe clean.

Food-Contact Surfaces: All surfaces that come in contact with food must be rinsed with potable water. Do not use on glasses, dishes, or utensils

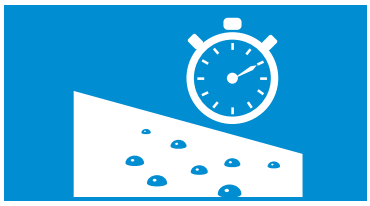
USAGE GUIDES

Directions for Use (cont.)

To prevent or inhibit mold & mildew growth on hard, nonporous surfaces

1. Spray surface until thoroughly wet.



2. Surface needs to stay wet for 10 minutes.

3. Rinse and wipe clean.

4. Re-apply as new growth appears.

Step 3: Wrap Up

1. Discard disposable supplies; clean and disinfect reusable tools.

2. Store products.

3. Remove PPE.

4. Wash hands with soap and water.

* When treating mold, EPA recommends wearing eye protection, gloves and N95 mask.

USAGE GUIDES

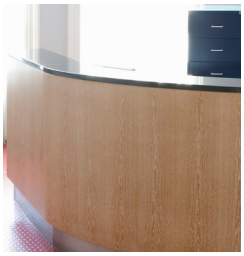
Surface Compatibility

This product is safe for use on these surface materials.*

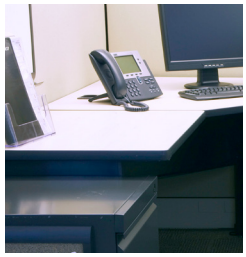
Chrome



Corian®

Enamel

Fiberglass



Formica®

Glass

Glazed Ceramic

Glazed Porcelain

Plastic

Vinyl

Marlite®

Metal

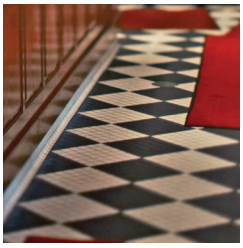
Painted Woodwork

Sealed Granite

Stainless Steel

Synthetic Marble

Cultured Marble



Linoleum

Do not use on: natural marble, brass, or varnished wood

PRO TIP

If you're unsure about compatibility with a certain surface, contact the manufacturer or test it on the surface in an inconspicuous area prior to using it more widely. To prevent residue build-up and further reduce the risk of potential surface damage, wipe periodically with a clean damp cloth to remove residue and excess disinfectant.

* Do not allow puddles of product to remain on surface. Do not use on unsealed, unfinished, visibly worn, oiled or waxed wood surfaces. Product can discolor wood surfaces if misused. Test a small area first.

USAGE GUIDES

Product Safety

Precaution for safe handling: Handle in accordance with good industrial hygiene and safety practice. Avoid contact with skin, eyes and clothing. Do not eat, drink or smoke when using this product.

Most important symptoms and effects: Stinging and irritation of eyes.

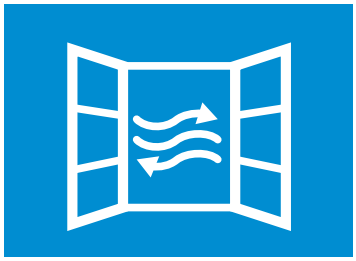
First Aid:

Eye contact: may cause eye irritation

- Hold eye open and rinse gently with water for 15–20 min.
- If present, remove contact lenses after the first 5 min. of rinsing, then continue rinsing eye.

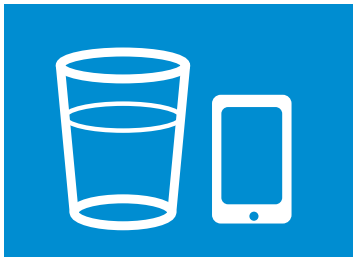
Skin contact: prolonged contact may cause irritation

- Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.



Inhalation: exposure to vapor or mist may irritate respiratory tract

- Move to a place with fresh air. If breathing is affected, call a doctor.



Ingestion: may cause irritation to mucous membrane and gastrointestinal irritation, nausea, vomiting, and diarrhea

- Sip a glassful of water if able to swallow. Do NOT induce vomiting.
- Call a poison control center or doctor.

Call a poison control center or doctor immediately for treatment advice. Have the product container or label with you when calling or going for treatment.
